

## 2020 Middle School Volleyball Tournaments

Middle School “get-the-kinks-out” Playdate – August 22  
Southern Volleyball Middle School Championship – September 26

Thanks for your interest/registration in the 2020 Middle School Tournaments hosted by SVT. Please complete this form and send it, along with your registration fee, to the address below to secure your spot. Please email us back if you are not in a position to pay the fee now and we will be happy to work with you. **Respond quickly, though, as both events have sold out for the past several years.**

**Playdate Info:** Though officials will be provided and score will be kept, this three-match playdate will be less about competition and more about learning rules, rotations, score keeping, etc., and a tournament champion will not be crowned. As part of the playdate we will provide access to scorekeeping instructions for parents who are new to the sport. The low-key event is intended to provide parents with “practice” in keeping the scorebook, just as the children will be learning rules, positions, rotations, etc. on the court.

**Tournament Info:** There will be “A” and “B” divisions in this tournament and a Champion will be crowned in each division. A minimum of four matches are guaranteed.
